

Group L

HI THERE! Welcome to our project in AMC :)

Introducing group L members: Kshama Gauri (27628), Leen Skaf (27826), Kabir Baig (27806).

- **Report** : The report contains our detailed findings on the project, incl the motivation, equipment used, an overview of the circuit and the Arduino code, and our conclusion based on the final test results.
- **Code used**: A clear and downloadable version of the main arduino codes used can be found here.
- **Video Tutorial**: A detailed description of the circuit, codes, and tests is split into parts in the form of a video tutorial for convenience.
- **Extra** : This contains extra programs, libraries and codes that aided in the project.

We hope that you find our project interesting, informative, and fun to read!

Thank you
