# 5.Object detection with Snap

So, now you can move ahead a next step and try integrating snap with object detection. You can first go through the tutorial Part 1 and Part 2 to explore more and then apply the gained knowledge for practical implementation.
Let's Plaiy!!

Part 1

Part 2

To begin with your program have a glance to the code in github. A detailed description of how each block works and how to set them up, is clearly documented.
